

# Vision Sunday – Connection Group Questions

## **Open:**

1. Take moment and ask each member to share how their Christmas went.

## **Dig:**

2. This morning, Brad shared five practices from the Barna Study that help contribute to resilience in our faith: putting God first, developing cultural discernment, fostering meaningful relationships, knowing and living your calling, and living on a counter cultural mission.
  - a. Which of these five practices has helped you the most in your faith walk?
  - b. Which of these five practices do you struggle with the most?

## **Reflect:**

3. Share one thing you would like to work on or develop more in the coming year to deepen your faith in God and advance His Kingdom.
4. Who is your plus one – the person, couple, or family you would like to reach out to in the coming year?

## **Prayer:**

Close in prayer praying for the spiritual walk of each of your small group members, and for the people God will bring our way in the coming year.
